

MOTION BY SUPERVISORS MICHAEL D. ANTONOVICH  
AND ZEV YAROSLAVSKY

OCTOBER 23, 2007

**EMERGENCY MEDICINE AND EQUIPMENT RETRIEVAL**

Currently, there are no formal policies and protocols in place when our County’s hospitals need an emergency re-supply of antidotes or life-saving equipment. Regulations need to be in place to determine which entity in the County hospital should retrieve the needed medication/equipment.

**WE, THEREFORE, MOVE** that the Board of Supervisors direct the Department of Health Services and the Office of Public Safety to develop a policy in regards to emergency medicine and equipment retrieval and report back to the Board in three weeks.
